2020- 2021 Syllabus

**My Mission Statement**

“To make a positive impact on each of my students’ educational journey though the guidance of our Lord, Jesus Christ”

**Introduction:**

Welcome to Jr. Kinder at Glenoaks Christian Schools/Wooden Shoe! This is going to be an exciting year filled with a lot of learning and growth, both spiritually and cognitively. I am delighted to be given this opportunity to build an educational milestone with your child. Jr. Kinder is the introduction to many new ideas and methods of learning. My lessons will incorporate visual, sensory, and auditory teaching strategies. We are going to have a fantastic year working together as a Glenoaks Jr. Kinder family! This syllabus is your guide of what to expect this school year. Communication is essential, so please feel free to contact me if you have any questions or concerns.

**PARENT-TEACHER COMMUNICATION:**

Parent, teacher, and student communication is extremely important. Throughout the year I will communicate through notes, emails, telephone calls, ClassTag, and parent-teacher conferences. I encourage you to contact me if you have any questions or concerns. Please allow 24 hours for an email inquiry during the weekdays.

## HOMEWORK ASSIGNMENTS:

Each student will be given a packet of a week's homework assignments on Monday in their folder. Homework is important for reinforcing the content of learning acquired during the day at school, therefore I would like to emphasize that home support is essential for students to progress in their learning experience.

## BIBLE:

As a Christian school, we believe in the importance of setting aside time each week to worship the Lord. Our students will attend Chapel every Wednesday. Together we worship God, sing praises, learn about the Bible, enjoy fun skits, and much more. Through Chapel, our students will be able to grow in their faith and become stronger and more knowledgeable about Christianity.

## CLASSROOM RULES AND MANAGEMENT:

As a way to manage and encourage students to be good citizens, I have a behavior chart posted on the wall. This chart will consist of three colors. They will all start in green and from there they will move from green to red or to yellow depending how their day is going. Each color will indicate their behavior for the day. This is a visual way for students to manage their own behavior and understand consequences.

## BIRTHDAYS:

Birthdays are special occasions for young children. If your child wishes, he/she may bring in treats for the class on his/her birthday. These treats will be passed out before school ends. Please let me know in advance if you plan on bringing in treats.
